(Ref.: Art. 1.2 of the Constitution of ESKA)

The aim of ESKA is to:

- Develop traditional Shotokan Karate-Do Europe by promoting and strengthening friendly relations and collaboration among its membership.
- Become a reference point for traditional Shotokan Karate in Europe.
- Maintain and develop standards of traditional Shotokan Karate in Europe.

(In this matter 'traditional Shotokan Karate' refers to the definition of Karate as documented by Masatoshi Nakayama in his book-series 'Best Karate')

Art. 2.2 : **PURPOSE OF THE COMPETITION RULES**

These Rules are instituted for the purpose of:

- Respecting and fulfilling the aim of the European Shotokan Karate-Do Association (ESKA).
- Ensuring strict fairness and uniformity of the methods of judging karate matches.
- Defining and supporting the authority of the Judges.
- Protecting the physical and mental well-being of the competitors.

These Rules shall be applicable to all matches held under the auspices of ESKA.

Art. 2.3 : **STANDARDS OF ESKA COMPETITION**

° 1. General standards

As ESKA promotes traditional Shotokan Karate the following standards are essential in ESKA Competition:

- **Martial Attitude**, by applying the 'Ippon'-principle and respecting the martial values ('dojokun').
- The application of '**Kime**', as demonstrated by the ability to transfer a maximum amount of energy (total bodyweight, power, acceleration) to a target during a total body contraction in a totally controlled way.
- The application of '**Zanshin**', by having total awareness before, during and after the execution of a technique, resulting in the complete conservation of energy after the execution.

° 2. Standards for Kumite

- Only techniques as defined in the book-series 'Best Karate' are accepted.
- Competitors will respect the physical and mental integrity of their opponent.
- Acts and techniques will be under total control of the performer.

° 3. Standards for Kata

- The performance of a Kata must clearly demonstrate its nature, namely the execution of fight-sequences.
- The Kata standard will be as defined in the Kata books of Masatoshi Nakayama's book-series 'Best Karate'.

Art. 2.4 : **AMENDMENT OR ABOLITION OF THE COMPETITION RULES**

Amendments to or abolition of these Rules, in whole or in part, are subject to the concurrence of more than two thirds of the members of the ESKA Congress.

Art. 2.5 : OTHER MATTERS

In case of a situation not foreseen in these Rules, or in case there is a doubt about the applicability of these rules to a given situation, the Referee Commission shall consult among themselves to find a solution.

All officials will be notified of these decisions and a public announcement will be made.

§ 2 : BEHAVIOUR

Art. 2.6 : BEHAVIOUR OF ALL THOSE INVOLVED IN ESKA COMPETITION
